

RESOLUTION No. 2009-11-956

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MIAMI GARDENS, FLORIDA, AUTHORIZING THE CITY ATTORNEY AND CITY MANAGER TO PURSUE LITIGATION AGAINST MIAMI-DADE COUNTY RELATING TO THE HALF-CENT TRANSPORTATION SALES SURTAX; DIRECTING THE CITY ATTORNEY AND CITY MANAGER TO ENGAGE OTHER MUNICIPALITIES WHO HAVE AN INTEREST IN PURSUING LITIGATION AGAINST MIAMI-DADE COUNTY; PROVIDING FOR REPORTING REQUIREMENTS; PROVIDING FOR THE ADOPTION OF REPRESENTATIONS; PROVIDING AN EFFECTIVE DATE.

WHEREAS, on November 5, 2002, the voters of Miami-Dade County approved a Transportation Sales Surtax which was to be used for the expansion and enhancement of the County's transit and transportation network, and

WHEREAS, in order to garner approval for the ballot measure, the County entered into an Agreement with cities that were existing at the time, to allocate twenty percent (20%) of the proceeds directly to those cities for their own transportation needs, and

WHEREAS, the Agreement that the County entered into with existing cities provided that only those cities in existence at the time of the Agreement would share in the twenty percent (20%) proceeds, which included the Unincorporated Municipal Service Area (UMSA) as a defacto city and

WHEREAS, the Agreement also provides that any new city would have to negotiate with the County if they wanted any of the funds, and

WHEREAS, Miami-Dade County has refused to negotiate with the City of Miami Gardens and other newer municipalities with respect to their proportionate share of the half-cent transportation tax, and

WHEREAS, it is estimated that City of Miami Gardens residents have paid approximately \$19.1 million dollars since its incorporation, towards the half-cent transportation tax since the City was incorporated, and

WHEREAS, the residents of Miami Gardens have received no direct benefit of the taxes, while other cities have used their allocation to provide transportation enhancements and services to their residents, and

WHEREAS, UMSA received its proportionate share of the 20%, which is inclusive of the physical areas now incorporated into Miami Gardens and other newer municipalities, and

WHEREAS, although the City's residents continue to pay the half-cent transportation sales surtax, the City's residents do not enjoy any allocation from the amounts collected by Miami-Dade County, and

WHEREAS, Miami-Dade County is treating newer municipalities different than existing municipalities even though everyone is being taxed the same, and

WHEREAS, the City Council of the City of Miami Gardens believes that represents taxation without equal representation and an illegal retention of funds designated for newer municipal areas, and

WHEREAS, the City Council of the City of Miami Gardens would like to take action in order to require Miami-Dade County to share with all newly formed municipalities in the proceeds of the half-cent transportation tax, and

WHEREAS, the City Council believes that it is important to garner the support of other similarly situated municipalities whose residents are also paying the surtax, but

are not sharing in the benefits of it and would like to authorize staff to engage these other municipalities,

NOW THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF MIAMI GARDENS, FLORIDA, AS FOLLOWS:

Section 1. ADOPTION OF REPRESENTATIONS: The foregoing Whereas paragraphs are hereby ratified and confirmed as being true, and the same are hereby made a specific part of this Resolution.

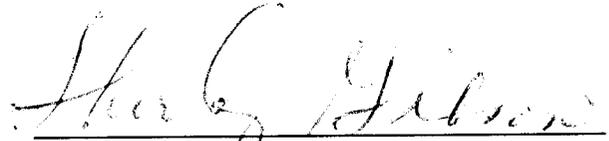

Section 2. AUTHORIZATION. The City Council of the City of Miami Gardens hereby authorizes the City Attorney and City Manager to take any and all steps necessary in order to initiate litigation against Miami-Dade County relating to the County's failure to allocate any portion of the half-cent transportation surtax it has collected in UMSA to the City of Miami Gardens and other newly formed cities.

Section 3. DIRECTIONS: The City Manager and City Attorney are hereby directed to engage other municipalities who are not receiving an allocation of funds from the half-cent transportation sales surtax from Miami-Dade County to determine whether they would like to participate with the City in pursuing litigation against Miami-Dade County

**Short Title:**

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MIAMI GARDENS, FLORIDA, AUTHORIZING THE CITY ATTORNEY AND CITY MANAGER TO PURSUE LITIGATION AGAINST MIAMI-DADE COUNTY RELATING TO THE HALF-CENT TRANSPORTATION SALES SURTAX; DIRECTING THE CITY ATTORNEY AND CITY MANAGER TO ENGAGE OTHER MUNICIPALITIES WHO HAVE AN INTEREST IN PURSUING LITIGATION AGAINST MIAMI-DADE COUNTY; PROVIDING FOR REPORTING REQUIREMENTS; PROVIDING FOR THE ADOPTION OF REPRESENTATIONS; PROVIDING AN EFFECTIVE DATE.

**Staff Summary:**

On November 5, 2002 Miami-Dade County voters approved a Transportation Sales Surtax which was to be used for the expansion and enhancement of the County's transit and transportation network. In order to gain support for this initiative, the County solicited the support of the existing municipalities and agreed to dedicate twenty percent (20%) of the proceeds to existing municipal governments. As a part of this agreement, the County included the Unincorporated Municipal Service Area (UMSA) as a defacto municipality to share in the proceeds of the dedicated municipal portion of the tax revenues. However, in 2002 the UMSA revenues were inclusive of the City of Miami Gardens and other newer municipalities such as, Doral, Palmetto Bay, Cutler Bay, etc.

The above mentioned agreement did make provisions that all new municipalities would have the ability to negotiate with the County if they wanted to receive a portion of the funds. To date, Miami-Dade County has refused to negotiate with the City of Miami Gardens for our proportionate share of the surtax; of which City of Miami Gardens residents have contributed upwards of \$19.1 million since incorporation.

While the City has received the indirect benefits of the tax (new bus routes, increased bus services, etc), Miami Gardens has not received any direct funds like the other 31 cities currently covered under the agreement.

**Proposed Action:**

Councilman Andre Williams recommends that the City Council authorize the City manager and the City attorney to pursue litigation against Miami Dade County relating to the Half cent Transportation Sales surtax.

**Notes:**

- 1) Information on the Local Government Half-cent Sales Tax Program can be found in the "2007 Local Government Financial Information Handbook" on pages 61-80. The handbook can be found at the following website address: <http://www.floridalcir.gov/UserContent/docs/File/reports/lghih07.pdf>.
- 2) As of July 1, 2006, fiscally constrained counties receive a separate distribution from the Local Government Half-cent Sales Tax Clearing Trust Fund, and therefore are not included in the ordinary distribution numbers.
- 3) Revenue estimates, based on the default formula methodology, are provided for every jurisdiction even though some counties do not impose a local discretionary sales surtax or an interlocal agreement which specifies the distribution percentages in some jurisdictions. These estimates may assist local officials considering a future levy, rate change, or change in distribution methodology.
- 4) The dollar figures represent a 100 percent distribution of estimated monies. Estimates were derived from DOR's Office of Tax Research.
- 5) Percentage increases are based on the data on page 12 of the March 11, 2008 General Revenue Estimating Conference Comparison Report. This data can be found at the following website address: <http://edr.state.fl.us/conferences/generalrevenue/grpackage.pdf>

**CALCULATION OF HALF CENT TRANSPORTATION TAX**

The half cent transportation tax was allocated to municipalities based on their population as a percentage of total County population. The calculation below takes the total annual tax revenue that was allocated (column A) and multiplies it by the City's % of population to arrive at the tax revenues the City would have received from inception (Column c). As you can see the City has missed out on \$19.1 million in transportation tax revenues since incorporation.
