CONFLICT; PROVIDING A SEVERABILITY CLAUSE; PROVIDING FOR INCLUSION IN CODE; PROVIDING AN EFFECTIVE DATE. (SPONSORED BY COUNCILMAN OLIVER G. GILBERT III)

Motion offered by Councilman Gilbert, seconded by Vice Mayor Campbell to adopt this item on first reading.

Attorney Dickens explained the matter of someone renting property within the City with visible signs of mold was brought to Councilman Gilbert's attention. This ordinance provides that rental properties should be kept free of mold, and also makes it a violation if someone purposely leases or sublets a property with evidence of mold in it.

Mayor Gibson asked about the mediation process and whether the property owner, once cited would be given a time period in which to bring the property into compliance.

Attorney Dickens said the city's Building and Code Compliance Department is working on a mechanism to do that. However, if the evidence of mold is such that the building is deemed unsafe there is a mechanism to ensure the property is not let.

Councilman Gilbert shared that he received a report that there was black mold on the walls and the person leasing the property was painting the walls to hide the mold.

Councilman David Williams Jr., inquired about the guidelines for determining mold.

Shellie Ransom, Interim Director of Building and Code Compliance appeared before the City Council to expound on this item. She shared that this ordinance provides for the inspection of rental properties prior to leasing. If mold is found the property owner is responsible for mitigating that situation prior to renting. It is the property owner's responsibility to provide the City with certified documentation that the problem has been taken care of.

There being no discussion, the motion to adopt on first reading passed and carried by a 7-0 vote.
